

If you have received this little booklet, then you will have been at a Living Word Church event or one of our regular midweek activities.

Whether it is Little Stars, Café Extra, FoodBank or something else, we hope you have been blessed and helped.

This booklet aims to answer the question:

why do you do these things?

Put simply we do these things to show you that God loves you. That he is interested in you and your life. In the good bits and the bad bits.

The simple things that we do are a small token of God's big love for you.

The Bible, God's book, says that God showed us how much he loves us through Jesus Christ.

God made the world perfect and he made people to be like him. People, however, rebelled against God.

The Bible calls this sin and we have all sinned and missed God's standard.

God is perfect and holy. This means that sinful people can't get to know him unless there is a miracle.

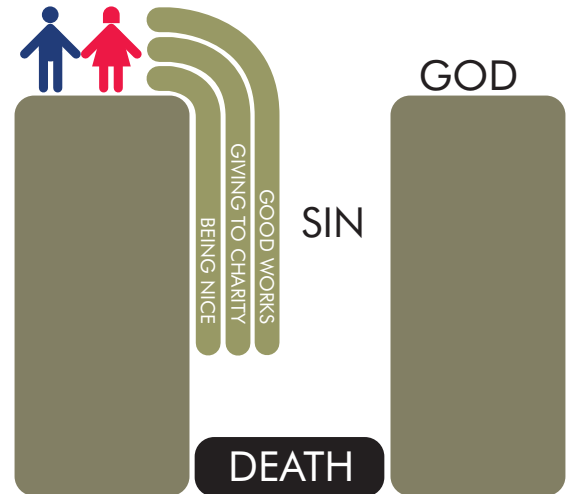

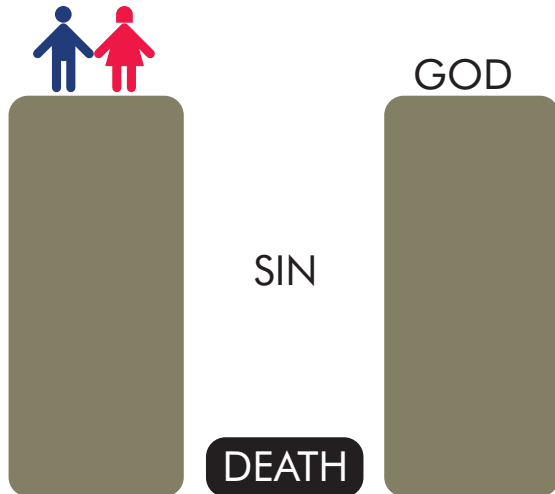

God does not want this situation, he loves people and designed us to have a relationship with him.

This is like having a massive valley between us and God. We try different things like charity work, being a good neighbour, fair dealings to try to get close to him or get to heaven.

These things are good but don't get us into God's good books.

We need to be saved. Who could do this for us?

The Bible tells us that all who sin are guilty against God and the punishment is death.

The person would need to be holy like God. Jesus, the son of God, came to take the punishment for our sin by dying for us.

God himself came to sort out our problem by sending Jesus. We can now be forgiven.

This is because God loves us so much.

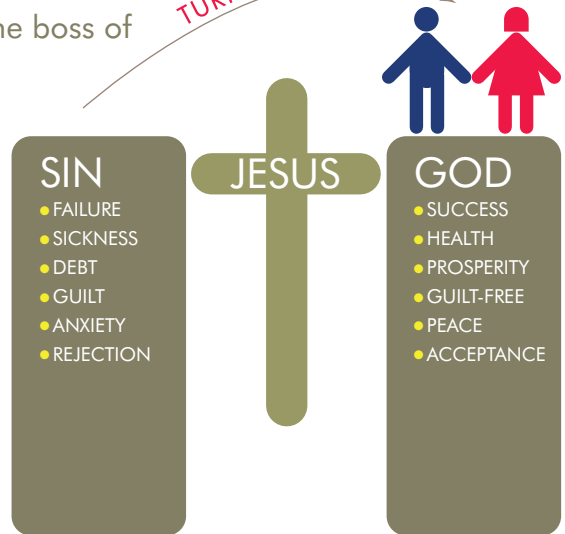

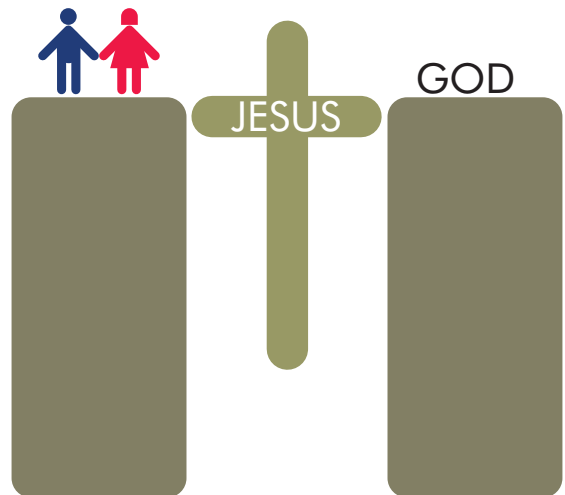

How do I receive this gift? The Bible tells me that I have to turn away from living for myself and give Jesus my life and trust him with everything.

your life. When we do this then we will be saved and come into relationship with God.

He gives us his life and he has a great purpose for each of us.

He has to become your Lord. This is the boss of
